

Diamond Favor Box

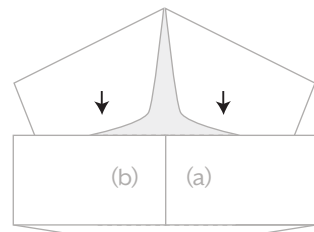

1. Pre-fold along all scored lines.
Remove the protective backing from the adhesive strips (shown here in pink).

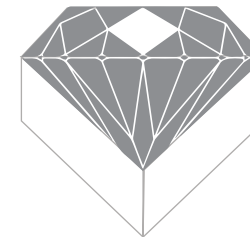

2. With the box face down, connect sides (a) and (b) using the adhesive tab.

3. Push in the corner pieces and adhere the bottom tabs to the inside of sides (a) and (b).

4. Fold the top two tabs inside to close the box.

5. Don't forget to include a sweet favor for your guests!
